

HIGH NET WORTH LEAD GENERATION

Extract Value is an online lead generation and branding agency specialized in developing high net worth and sophisticated leads. With unparalleled expertise in alternative investments, insurance and other complex industries, we harness raw talent and honed experience to power a revolutionary performance-based marketing machine. Extract Value delivers a vertically-integrated package of solutions and technology in a three-step process that prepares, executes, and optimizes the effectiveness of our clients' marketing initiatives. From branding to e-mail campaigns and tech consulting to analytics, we tie our revenue directly to your company's bottom line by relying upon a commission from converting anonymous visitors into leads or sales. Thus, our advertisers can build their prospect base nearly risk-free; our publishers and affiliates maximize their ad revenue by leveraging our advertiser network and software solutions, and consumers gain unequaled insight into topics that matter to them the most.
